## Youth Basketball League

If your son is interested in playing youth basketball in December, January, and February, please fill out the form below (front and back) and bring it in with your \$20.00 fee for registration on Sunday, December 13<sup>th</sup>, 2009. Registration will be held from 12:00 P.M. until 1:30 P.M. in the **elementary** school gym lobby. Players need not attend, but registration must be done on this day. Please pay by cash or check made payable to 'Central Boy's Basketball.'

The fee for participation in the youth league provides funds for our basketball program. While most items are adequately covered by the athletic budget, others are not. We use some of the funds to reduce the costs of our players attending summer camps and participation in summer leagues. We purchase additional equipment such as basketballs and t-shirts for the youth league. We feel that the fee is very reasonable considering the comparable costs of other youth leagues. If you have any questions concerning this fee or other issues with the overall operation and philosophy of our youth league, please contact us.

Beginning this year, we have incorporated an instructional time period each week prior to game time. This will provide the players with new skills or sharpen existing skills that they will use in the games each week. However, remember that our number one objective is for kids to have fun!
