Dear Strategic Planning Committee Member,

The Central Columbia School District has reached the midpoint of its current strategic plan. As a result we will begin reviewing and updating our current plan to make sure it remains close to our district goals. You are being mailed this letter as an invitation to help us through this process.

**We will be holding a kickoff meeting to begin the review of our current strategic plan on February 23rd at 6:00 p.m. in the Central Columbia Middle School Library.**

We will begin the meeting by reviewing our progress on our current plan and then break up into groups based on your interest or committees you have served on in the past.

Those committees are:

1. Strategic Planning Steering committee
2. Technology
3. Special Education
4. Professional Education.

Through this process we will be accomplishing four different tasks. First, we will review our current strategic plan. Second, we will be reviewing/revising our technology plan and special education plans. Lastly, we will be creating a new professional education plan. All of these activities will not be accomplished during our meeting, but a plan for addressing each will be developed.

Your participation in this process would be greatly appreciated. Please feel free to contact me at 784-2850 ext. 4005 if you have any questions.

Yours in Education,

John Kurelja Ed.D  
Curriculum Coordinator
