Curriculum, In-Service & Textbooks Committee – Approve Revised 2014-15 School Calendar – Mr. Markowski moved, seconded by Mr. Chyko to grant approval of the revised the 2014-15 school calendar. The revised calendar reflects making April 2\textsuperscript{nd} a school day, moving the last day of school to June 9\textsuperscript{th} and making commencement June 10\textsuperscript{th}. (attached)

Mr. Mathias explained to the Board the adjustments to 2014-15 school calendar. Mr. Mathias stated with these adjustments it allowed flexibility for any additional cancellation days and seniors reaching their 180 days of required school. Mr. Mathias noted keeping graduation on June 6 would mean they would need to go to school on two Saturdays and we would have no wiggle room for additional school cancellations.

Parents of seniors expressed their concerns about moving graduation to the 10\textsuperscript{th}. They stated family members from out of town would not be able to attend graduation if it was moved to a week day. The parents expressed their concern of announcements already being printed with the wrong date and time. They requested taking the Monday from Easter break and having seniors go to school on two Saturdays to allow graduation to stay on June 6\textsuperscript{th}.

Mr. Mathias and Mrs. Krum expressed their concern of taking both Thursday and Monday from Easter break, noting between Christmas break and the end of the school year Easter is the only time students get a long break. Mrs. Krum stated she was worried about kids not getting a break before major testing starts to occur.
